SUBJECT:- X-ray Allowance-grant of-to Electrician C.P. John

Sir,

I have the honour to forward herewith an application from Mr. C.P. John, Electrician of these hospitals, for favourable consideration of the Hon'ble the Resident in Mysore.

He is a good electrician, and until two years ago besides doing most of the X-ray work in the Hospital, had also the duty of looking after the Electrical Installation in the Haji Sir Ismail Sait's Gosha Hospital. For administ-tive reasons the Engineer, Civil & Military Station, handed over this work to a member of his own staff, and in consequence the monthly sum of Rs 15/- for this work was taken away from Mr. John who has been on bare salary since. During the last two years diathermy has been introduced, and this department together with ionization, violet rays etc. is all under Mr. John. The new X-ray apparatus was explained in full to Mr. John by the Agent of the International General Electric Co. and handed over to his keeping. About one year ago Mr. Armstrong of that Company when visiting my hospital stated that he thought highly of Mr. John and considered he could be trained to be a very well qualified X-ray technician.

I therefore recommend that he may be given an increase to his pay either as he desires in his application or an allowance of Rs 15/- per mensem for the extra work he

performs

performs in the X-ray Department.

In the latter case the amount required may be met from the savings under A3 Allowance & Honoraria-A.Medical-Hospitals and Dispensaries-Account III.Medical & Public Health.

I have the honour to be

Sir,

Your most obedient servant,

Lt-Col.,I.M.S.,

Residency Surgeon, Bangalore.
